| Diepte / Lengte | 270 cm |
|-----------------|--------|

|               |         |
|---------------|---------|
| Artikelnummer | 1011740 |
|---------------|---------|

### Specificaties

|                |         |
|----------------|---------|
| Materiaalsoort | Douglas |
|----------------|---------|

|                      |             |
|----------------------|-------------|
| Materiaalbehandeling | Onbehandeld |
|----------------------|-------------|

|                           |             |
|---------------------------|-------------|
| Fundering buitenmaat (cm) | 324,0x264,0 |
|---------------------------|-------------|

|               |         |
|---------------|---------|
| Type boeideel | 1 plank |
|---------------|---------|

|                               |            |
|-------------------------------|------------|
| Type dakbedekking meegeleverd | EPDM folie |
|-------------------------------|------------|

|                           |            |
|---------------------------|------------|
| Geadviseerde dakbedekking | EPDM folie |
|---------------------------|------------|

|                      |   |
|----------------------|---|
| Hellingshoek dak (°) | - |
|----------------------|---|

|                       |                       |
|-----------------------|-----------------------|
| Type regenwaterafvoer | Verticale dakdoorvoer |
|-----------------------|-----------------------|

|                 |     |
|-----------------|-----|
| Inclusief vloer | Nee |
|-----------------|-----|

|                     |     |
|---------------------|-----|
| Inclusief fundering | Nee |
|---------------------|-----|

|                              |       |
|------------------------------|-------|
| Overkapte hoogte buiten (cm) | 222.7 |
|------------------------------|-------|

|                                     |     |
|-------------------------------------|-----|
| Overkapt vloeroppervlak buiten (m2) | 7.6 |
|-------------------------------------|-----|

|                            |     |
|----------------------------|-----|
| Totaal vloeroppervlak (m2) | 7.6 |
|----------------------------|-----|

|                       |          |
|-----------------------|----------|
| Kopmaat wandbalk (cm) | 2,8x18,2 |
|-----------------------|----------|

|                           |           |
|---------------------------|-----------|
| Robuustheid staander (cm) | 12,0x12,0 |
|---------------------------|-----------|

|                  |   |
|------------------|---|
| Aantal staanders | 4 |
|------------------|---|

|                            |    |
|----------------------------|----|
| Onderdelen op maat gezaagd | Ja |
|----------------------------|----|

|                                  |                |
|----------------------------------|----------------|
| Inclusief bevestigingsmateriaal  | Ja             |
| Klusniveau                       | Gewone klusser |
| Decor                            | douglas        |
| Hoogte artikel (cm)              | 244            |
| Breedte artikel (cm)             | 330            |
| Diepte artikel (cm)              | 270            |
| Artikelnummer                    | 1011740        |
| Hoogte verkoopeenheid VE=1 (cm)  | 67.5           |
